DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1 and 10-15 are rejected under 35 U.S.C. 102(b) as being anticipated by EP 0 519 815 A1 (cited in IDS).

EP 0 519 815 A1 discloses, **for claim 1**, first and second connectors each including connector terminals which are coupled with each other by coupling the first (1) and second (7) connectors with each other, characterized in that a rear holder (45) includes a resilient clamping lance for preventing the connector terminals installed in the first connector from being withdrawn backwardly, and a resilient locking arm (48) is engaged with a rear portion of a housing main body of the first connector (see figure 10), and that said rear holder includes a locking arm (50) having including a free end extending forwardly and a locking claw provided on said locking arm for locking the rear holder with the second connector, and that said locking arm is locked with a housing main body of the second connector or is locked with the rear holder secured to a housing main body provided in the second connector, **for claim 10**, the locking claw is provided at a middle portion of the locking arm, **for claim 11**, the free end of the locking arm is supported by a part of the housing main body of the first connector, **for claim 12**, a lower portion of the free end of the locking arm is supported, **for claim 13**, a side of the free end of the locking arm is

supported, **for claim 14**, an engaging portion which is engaged with a part of the housing main body of the first connector is provided on the side of the locking arm, **for claim 15**, a plurality of said locking arms are provided.

Request for Continued Examination (RCE)

3. The request filed on 10/30/2007 for a Request for Continued Examination (RCE) under 37 CFR 1.114 based on parent Application No. 10/541,519 is acceptable and a RCE has been established. An action on the RCE follows.
